EDITOR'S NOTES

THE ECONOMY

As accountants, we can only wonder what effects on our jobs will result from the President's new economic policies. As this is written, the President has announced that the 90-day wage-price-rent freeze will not be extended beyond November 13, but has indicated there will be an official "Phase Two." It well may be the start of a whole new era of record keeping and accounting considerations. It appears that the accountant is never out of a job!

IN THIS ISSUE

It is with great pleasure that we publish in this volume another manuscript by Constance Barcelona, whose writing is, we believe, especially delightful and interesting. You may remember "The Census-Quantitative Interpreter for the Republic" in the January 1969 issue.

THE BUSY AICPA

As this editor attempts to understand some of the recent Opinions of the Accounting Principles Board, she was struck by the sheer number of pronouncements by the APB and by the Committee on Auditing Procedure of the Institute—5 Opinions covering 134 pages issued between August 1970 and July 1971 and 4 Statements (only 30 pages) issued between September 1970 and July 1971. This is surely a challenge to accountants to stay abreast of what's going on in our profession.

NAMES IN THE NEWS

We are particularly pleased to note that Marjorie June, 1970-71 AWSCPA President, has been appointed to the Editorial Board of THE JOURNAL OF ACCOUNTANCY.

A NEW TITLE

We proudly announce the awarding of a doctorate degree from the University of Colorado to our Associate Editor. We hope all notice the name "Dr. Ula K. Motekat" on our masthead.
